STUDY MIND

Study Mind Summer Career Camps

Residential Central London Summer Career Camps

Popular Camps

Giving students (15-18yo) a future with confidence

- Medicine
- Chemical Engineering
- Computer Science
- Engineering
- Psychology
- Banking & Finance
- Law
- Criminology

HOW WE ARE DIFFERENT FROM 'OTHER' CAMPS (INVESTIN, BUCKSMORE, IMMERSE)

- **Small cohorts (5–10 students)**, ensuring access to real industry days with leading companies.
- **Structured work experience** that takes students beyond the classroom for more than one day each week.
- **Full-time placement options** (30–40 hours per week) available in Medicine, Veterinary, Dentistry, Law, and Psychology.
- **Designed for British students,** with the majority of participants coming from the UK.
- **Optional research project available,** allowing students to demonstrate genuine academic commitment and stand out to universities.

Programme Starts for Summer 2026:

29 June	06 July	13 July	20 July	27 July	03 August	10 August

University College London (UCL) Accommodation

Where they will be staying

UCL's Ramsay Hall
